Temporary Coat Coloring

Does your dog have a special occasion soon? Birthdays, parties, weddings...? Also there is nothing more special than a normal day, don't you think? We know doggies always look stunning but we also can temporarily dye the fur of your 4 legged best friend giving her/him a new look.

Consult with our personal the price. **Price varies.**

First Time / Puppy Groomer Training

Puppies should generally be introduced to professional grooming when they are about 10 to 12-weeks-old. We propose you to have a free 15 minutes introductory meeting where we can discuss all the details we need to know about your loyal furry friend; desired look, health, well-being and comfort.

Because we know how important this is for our lovely friends this treatment is free.
